YOU BRING THE PEOPLE. WE SUPPLY THE FUN.

The Botany View Hotel is one of the best live music venues in Sydney with live entertainment featuring a wide variety of high-quality bands and DJ's. It's a relaxed vibe, all about food and drinks with mates whilst listening to killer tunes. So what does that mean for your party? Well it means we have already got everything covered.

ROOMS & SPACES?

**YOU BETTER
BELIEVE IT.**

Like a carefully constructed rabbit warren of eclectic areas, the BVH has pretty much any mood covered.

SOMEONE SAY ROOFTOP?

We have one of the best rooftop
gardens getting around.

LOUNGING AROUND?

Like the living rooms at a house party, we have several chilled out flopping spaces to laze away or mingle like crazy

DANCE LIKE EVERYONE'S WATCHING?

When the day parties or nighttime DJ's are pumping you'll be hitting the Tiki Bar dance floor but when the big gigs are on you'll be getting sweaty and personal with the heaving masses in the main stage room

SO, IF ALL OF THIS TICKLES YOUR FANCY

and you have a group of 10+ people, let's talk about having your party here with us.
